## June 2026

Happy June Post 979 Family!

Please note the change in our summer hours. Open 12pm to 8pm 7 days a week with staying open until 10pm on music nights, which are the second and last Friday of each month. I also would like to note that there will be no more Saturday lunches due to lack of Patrons. Thank you for those of you that have consistently supported our Saturday kitchen, however it is costing more money than we are raising to continue to do this.

On June the 9th we will have installation of officers. Please plan to attend.

One very important issue we need to address is the rumors that are being circulated every place you go that we are closed or are closing. **We are not closing or have any plans to do so.** Business is slow. People are keeping their money for more personal items. Then we have a group of members that keep turning us in for anything that in their perception we are doing. We also have members that are working their tales off doing positive things to keep us going. These are the people that need our help.

More about these tales later..

### LOUNGE 979 NEWS

Hi Everyone! The warmer weather is finally here and I am here for it!! As you may have noticed there has been a change with our hours. In an effort to cut back on labor during slower times we are going to start doing summer and winter hours. Closing time for **summer** will be **8:00PM** and for **winter** it will be **9:00PM**. We will open at **12:00PM** both summer and winter. This will also change lunch times. Lunch will now be served from 12-1. On the Fridays that we offer live music we will be open until 10:00PM. Speaking of live music I am going to give it this month and next to improve, unfortunately attendance and sales both are still pretty low on these evenings, so unless there is an increase July will be the last month I can offer the live music (it's not free and I will not continue to lose money) Another change you may have heard chatter about is us getting certified to serve the public. That rumor is true and as soon as I have the certificate in my hand I plan to start hosting events that we can invite the public to with the hopes of it increasing our revenue. Another issue I'd like to address is the gaming machines. Because we have those I have been informed that anything considered "gambling paraphernalia" is not allowed on the property. Unfortunately, cards are in that category and that is the reason we can no longer allow it. It is not personal. I am just following the rules and I apologize to those this has effected. Please stop in and support your Legion whenever you can, and as always please feel free to reach out to me with ant questions or concerns you may have. C-ya soon!!

President, Auxiliary Post 979

## Post 979 A. L. Riders

From the Riders,

Welcome to what is another year for our Board Members. We had nobody step up for a position at our last meeting, so we will roll into a new year of doing what we do best. We strive to support our local Veteran groups and organizations as well as supporting the Legion Veteran & Childrens Fund. Hopefully Mother Nature will settle down and give us some steady temps and good riding weather for a change. We look forward to getting out and enjoying the open roads soon. Please come to our next meeting , Thursday June 11th at 6pm, and see what we have going on.

**Adam "Ace" Smith Director, Post 979 ALR**

**HOURS:**

### Summer Hours

Sun Mon Tues Wed Thurs Fri Sat 12pm-8pm  
Fridays with live music open until 10pm

### Winter Hours

Sun Mon Tues Wed Thurs Fri Sat 12pm-9pm

**Last call is ALWAYS 15 mins prior to closing.**

Closing time is set for a reason and it is important to respect the bartender, who is just trying to do what is asked of them, Thank you for understanding!!
